

Examination Committee

Objectives of the Committee

1. To formulate the policies of the examination and evaluation.
2. To act as an advisory body of the matters relating to the conduct of examinations.
3. To arrange for strict vigilance during examination so as to avoid the use of unfair means by students and teachers.
4. To undertake examination and evaluation reforms in order to make the examination and evaluation system more efficient.
5. To hear and decide complaints relating to the conduct of examination and evaluation.
6. To carry out examination smoothly, publish results and award certificates.
7. To provide qualitative and reliable educational assessment.
