MEGA BLOOD DONATION DRIVE 2020

Conducted by The NSS Unit of K. J. Somaiya College of Science and Commerce

"The best way to find yourself is to lose yourself in the service of others!"

COVID-19 brought much of the world to a screeching halt, isolating people in their homes, taking kids out of school and closing the doors to many businesses. Despite this, hospitals across the country remained open and operational, dedicated to providing lifesaving care to patients. But the need for blood donation existed on a very large scale. Also a misconception of contracting corona infection through blood transfusion prevailed very much in people's minds. By implementing proper sanitization and following all the social distancing rules, one cannot catch corona infection, but still the haunting thought of contracting corona infection still exists. It also came to the notice of The NSS Unit of KJSSC that there was an acute shortage in the number of blood units available in the city. It was a really frightening situation. After observing the entire scenario, the NSS Unit of KJSSC thought of conducting a 'Mega Blood Donation Drive' in the entire city under the guidance of our Principal Dr. Pradnya Prabhu Ma'am and NSS P.O Mr. Amit More Sir. The Drive was launched on October 01, 2020 and was conducted till November 08, 2020. In this drive, a poster was circulated in the entire city which consisted of a registration form link for interested blood donors to register themselves for blood donation. Along with this, an online canvassing was conducted by the NSS volunteers on various social media sites which not only highlighted the importance of blood donation during pandemic but also cleared people's misconception regarding donating blood in pandemic time. The NSS unit conducted different online meets to appeal to the blood donors to come forward and donate blood and also requested them to share a word about the NSS blood donation drive with their friends and family. With the assistance of NSS Director of Mumbai University, Mr. Sudhir Puranik Sir, we were able to gain information about the different blood banks in Mumbai District. We received 91 blood donors registrations from central mumbai. Then, the donors were segregated according to their areas and seven groups were formed and thus seven blood donation camps were organized. The entire NSS blood donation drive was led by NSS Leaders Mr. Robinsh Yadav, Miss Hamsika Kondamudi, Mr. Omkar Sagvekar and RRC Head Miss. Amisha Kaswankar.

MEGA BLOOD DONATION DRIVE 2020

"The best way to find yourself is to lose yourself in the service of others!"

COVID-19 brought much of the world to a screeching halt, isolating people in their homes, taking kids out of school and closing the doors to many businesses. Despite this, hospitals remained open— dedicated to save lives. But the need for blood units existed on a large scale. रक्तदात्यांकडून मिळालेला जबरदस्त प्रतिसाद खूप वाखाणण्याजोगा होता आणि धैर्य व इच्छाही अत्यंत प्रेरणादायक होती. त्यांच्या या योगदानामुळे स्वयंसेवकांमध्ये कृतज्ञतेची भावना निर्माण झाली. ते ६ आठवडे अत्यंत व्यस्त परंतु समाधानकारक होते, स्वयंसेवकांनी संपूर्ण शिबिरादरम्यान अतिशय कौतुकास्पद पद्धतीने कार्य केले. या संपूर्ण कार्यक्रमातून तब्बल २८४ रक्त पिशव्या जमा झाल्या. संघाच्या समर्पणाने आणि प्रामाणिक प्रयत्नांशिवाय, आमच्या रा. से. यो.चे कार्यक्रम अधिकार्यांचे मार्गदर्शन आणि रक्तदात्यांचे धैर्य यांशिवाय हे शिबीर शक्य झाले नसते. क. जे. सोमैया विज्ञान आणि वाणिज्य महाविद्यालयाचे रा. से. यो. युनिट नेहमीच अशा सामाजिक उपक्रमांच्या अंमलबजावणीच्या दिशेने कार्य करेल आणि कठीण परिस्थितीतही मदतीसाठी कार्यरत राहिल.
