

NET/SET/GATE/JAM/CA Coaching

Objectives of the Committee

- Register students from both science and commerce streams who are keen on facing competitive examinations.
- Assign subject wise mentor to them
- Conduct activities periodically so that they can interact with subject experts and alumni for support and guidance
- Engage some sessions at department level to solve their doubts and clear basic concepts.
- Update them with upcoming examination dates and similar information
- Identify Resource persons to engage sessions with the candidates.
- Maintain records and documents of all activities.
- Assess the outcome achieved at the end of the academic year.
