Increase in Pay Scale

Popular Companies for Certified Management Accountant (CMA) Certifications

Company	Pay Scale
EY (Ernst & Young)	₹45.7k - ₹1m
Accenture	₹47.5k - ₹4m
PricewaterhouseCoopers	₹0 - ₹300k
Wipro	₹0 - ₹500k
Accenture Technology Solutions	₹0 - ₹294k

- It is an indisputable fact that CMAs earn more than their non-CMA counterparts. Globally, on an average CMAs earn 62% higher more than plain graduates.
- The reasons are plenty, from the fact that CMAs are more qualified to handle management positions and they exhibit high-level management relationship skills. So the companies don't shy away from paying a premium to such skilled individuals.
