Feedback Committee Action Taken Report 2021-2022

The feedback on curriculum and Students Satisfaction on infrastructure and functioning of college was collected from stakeholders- students, teachers, alumni and employers by the feedback committee. The feedback was also collected from graduating students in the form of Graduate exit feedback. The feedback reports were submitted to the appropriate bodies for the further action.

Objective: The objective of this exercise is to measure the impact of all the efforts of the institution on the various stakeholders. The institution intends to enhance its benefits to reach all the stakeholders. This feedback is collected and analysed through statistical tools. Based on the opinions of the stakeholders, further action is taken by the feedback committee.

Methodology:

- The Feedback on curriculum is collected from students by circulating the Feedback Forms. The feedback committee members after going through the various suggestions made by the stakeholders prepared a report.
- Graduate Exit form Feedback is collected from Final Year Students of UG and PG
- The feedback committee held a meeting at the end of the academic year to discuss the various suggestions and prepared action taken report.
- The action taken report will be circulated among the staff members through the IQAC .

Sr. No.	Suggestions	Observation	Action proposed	Action Taken
1	It would be good to learn skills or gain knowledge on using computational skills	Request by Students	Computational Laboratory should be made available to students.	Computational skill development course is designed and add on as an add on course
2	Increase allocated man hours for Guest Speakers for SEC Courses and allow	Request by Employer	It is suggested to organize in person sessions whenever possible	In person lectures by the eminent and interested speakers are arranged
