

Feedback Committee Action Taken Report 2019-2020

The feedback on curriculum and Students Satisfaction on infrastructure and functioning of college was collected from stakeholders- students, teachers, alumni and employers by the feedback committee. The feedback reports were submitted to the appropriate bodies for the further action.

Objective: The objective of this exercise is to measure the impact of all the efforts of the institution on the various stakeholders. The institution intends to enhance its benefits to reach all the stakeholders. This feedback is collected and analysed through statistical tools. Based on the opinions of the stakeholders, further action is taken by the feedback committee.

Methodology:

- The Feedback on curriculum is collected from students by circulating the Feedback Forms. The feedback committee members after going through the various suggestions made by the stakeholders prepared a report.
- The feedback committee held a meeting at the end of the academic year to discuss the various suggestions and prepared action taken report.
- The action taken report will be circulated among the staff members through the IQAC .
